

MY BIBLE READ ONE STORY AT A TIME

Use this list as a guide. You can read one story at a time. You don't have to read all the stories.

When you read the story from your Bible ask yourself the following questions:

1. Who are the people in this story?
2. What happens in this story?
3. What can I learn from this story?

Make notes in your Bible to refer to next time you read the same story or you might like to use a notebook and write down some of the answers to your questions there.
